- Monash Blue: #006DAE
- Secondary Blue: #00739D
- White: #FFFFFF
- Black: #000000
- Dark Grey: #3C3C3C

Accent Colors:

- Monash Red: #DF0021
- Purple: #6F64A9
- Fuchsia: #C90095
- Light Grey: #F8F9FA

Outline

Typography & Styling

The template now uses modern fonts as per Monash brand guidelines:

Heading Levels

- **Level 1 headings** use Monash Blue
- **Level 2 headings** use Secondary Blue
- **Level 3 headings** use Dark Grey

Regular text includes:

- **Bold text** in Monash Blue
- **Italic text** in Secondary Blue
- Standard paragraph text in black

Box Environments

The template provides easy-to-use box environments:

`#note`[Your note content here]

`#info`[Additional information]

`#warning`[Important warnings]

`#tip`[Helpful tips]

`#success`[Success messages]

Content Examples

Here are various content types with enhanced Monash styling:

This is an alert message using Monash Blue

Box environments for different purposes:

This is a note box using Monash Blue for general information and tips.

This is an info box using Secondary Blue for additional details.

This is a warning box using Monash Red for important warnings.

This is a tip box using Monash Purple for helpful suggestions.

This is a success box using green for positive feedback or completion messages.

Lists work beautifully:

1. Numbered lists use consistent spacing
2. Colors follow Monash brand guidelines
3. Typography is clean and readable

Bullet points:

- Enhanced readability
- Professional appearance
- Consistent with brand guidelines

Data & Tables

Professional table styling with Monash colors:

Metric	Q1	Q2
Students	15,234	16,891
Research	89%	92%
Satisfaction	4.2/5	4.5/5

Code Examples

Code blocks with proper syntax highlighting:

```
def monash_welcome():  
    """Welcome function for Monash presentations"""  
    print("Welcome to Monash University!")  
    return {"status": "success", "theme": "enhanced"}  
  
// Typst code for this enhanced theme  
#show: dewdrop-theme.with(  
    aspect-ratio: "16-9",  
    logo: image("your-logo.svg", height: 2em)  
)
```

Outline
