Introduction

Introduction

This is a sample slide demonstrating the new Monash-inspired color scheme.

- The primary color is now Monash Blue
- Neutral colors have been updated for a modern look
- Text should be more readable with improved contrast

Features

Features

Let's explore the key features of this updated template:

1. Modern Monash Blue primary color
2. Improved neutral color palette
3. Better readability and contrast
4. Professional academic appearance

Examples

Examples

Here are some examples of different elements:

This is an alert message using the primary color

Normal text should appear in the neutral-dark color (333333).

Bold text and *italic text* should also follow the color scheme.

Code Example

Code Example

This template supports code highlighting:

```
def hello_monash():  
    print("Hello Monash University!")  
    return "Success"
```
